

# 150th ANNIVERSARY SHANNON LIFEBOAT FUND APPEAL

The RNLI's Shannon class lifeboat

To mark The Lifeboat Fund's 150th anniversary, we're asking for your help to raise £1.1M towards the cost of a brand new Shannon class all-weather lifeboat for the brave volunteer crew at Wells RNLI.

This lifeboat is the latest (and 53rd) of a long line of lifeboats supported by The Lifeboat Fund, which between them have helped save thousands of lives.
